Another drabble. I hope, you like that, too:)

The last notes of „Battery".

James stood at the door of the rehearsal room after slowly sneaking at it while playing.
His guitar was on the floor in no time.

But Lars - quick fucker - had dropped his drumsticks and ran up, too.

Jason and Kirk crashed into another, their instruments wailing.

Hate in their eyes.

James had the longest legs but Lars was tricky.
Kirk and Jason bared their teeth.

They reached the kitchen.

Lars ripped open the fridge and grabbed the plate with the last piece of that delicious chocolate cake they all had known about.

"All mine!"
